Colorado Springs Public Space Recycling

Because new planets are hard to come by.

Win-Win Partnership

NO COST to the City or Taxpayers

City benefits:

- Free recycling bins & maintenance
- Education & awareness programs in our community
- New revenue stream
- Tracked results

Free Recycling Bins and Recycling

- 150 recycle bins downtown and in 7 City parks provided for free
 - Designed to match community streetscaping
 - Plans to expand
- City contracts with Waste Management for trash hauling – Greener Corners covers the additional cost for recycle pick up

Bins Maintained by Greener Corners Team

Education and Awareness

- *Greener Team*
- Partnerships with Pikes Peak Sustainable Business Network, Chamber of Commerce, Green Cities Coalition, Boy Scouts of America, Palmer High School and School District 11, etc.

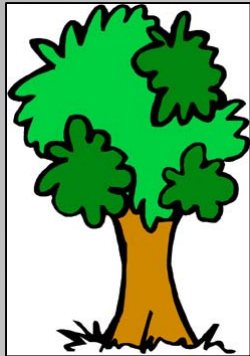

New Revenue Stream

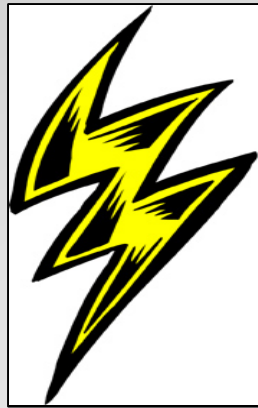

- Advertisements sold by Greener Corners offer businesses a cost effective opportunity to build brand awareness and contribute to the community
- Creates a new recycling program at no cost to the City or taxpayers, and makes money for the City.

Tracked Results: 20 Tons Recycled in First Four Months
