- Facility tours
- Be a member of a community that brings jobs and economic development to Colorado

To join now or learn more, visit
Colorado Association for Recycling
online at www.cafr.org

DID YOU KNOW...?

- ...**Colorado's recycling rate** is far lower than the national average.
- ...**Recycling creates jobs** and protects the environment.
- ...**Recycling turns waste** into resources.
- ...**CAFR works with you to increase** recycling and waste diversion throughout the state.

We'll do our part, but the success of recycling in Colorado depends on you.

Join CAFR.

The Colorado Association for Recycling is a 501(c)3 nonprofit association. Our members represent all facets of the recycling industry: state and local governments, universities, nonprofits, large and small businesses and citizen recyclers. No other recycling organization within Colorado offers such diverse interests and expertise. CAFR offers programs that allow you to learn more about recycling and work with experts around the state on solid waste management issues.

Colorado Association for Recycling's professional development meetings, site tours and annual conference enable our staff to continually learn, understand best practices and reenergize from recyclers around the state.

- Charlotte Pitt, Denver Recycles Operations Manager

CAFR PROGRAMS

Colorado Summit for Recycling

This conference brings together recycling professionals from throughout Colorado and the Rocky Mountain Region. The event features educational sessions that address every aspect of recycling, including public education, collection, processing, markets and recycled-content products.

Statewide Policy

CAFR tracks and promotes important issues of the recycling community, educates legislators and decision makers, and works with other organizations to ensure that the voice of recycling is heard in Colorado.

Statewide Recycling Awards

CAFR presents annual awards to outstanding individuals and organizations in recycling throughout Colorado.

Networking Meetings

CAFR offers the chance to meet new contacts or stay connected with your recycling peers. The meetings include guest speakers, discussions on new trends in recycling, and tours of recycling or manufacturing facilities. Membership in CAFR helps get you in the loop.

Website & Publications:

Solutions to Your Recycling Needs

CAFR keeps members current on the latest news in both the Colorado and the national recycling and waste diversion industries. Whether you are looking for access to recycling markets or companies that provide recycling in your community, the CAFR website, publications and staff can help answer your questions.
