On behalf of the Board of Directors of the Colorado Association for Recycling, your company is invited to exhibit at the **21<sup>st</sup> Annual Colorado Summit for Recycling, June 6-8, 2010**, at the Steamboat Sheraton Resort in Steamboat Springs, Colorado. Steamboat Springs is an ideal mountain setting – a great place to retreat for business, networking and mountain activities in the spring.

We would be pleased to have your company in the exhibit hall at the Steamboat Sheraton Resort to share your special products and services with our audience. This year, the Summit will offer:

- An **Exhibitor Reception** on Sunday evening, June 6, to kick off the conference and allows you to network with fellow exhibitors, the CAFR Board of Directors and other attendees.
- An extended **two-day exhibit hall**, opening on Monday morning, June 7, and ending Tuesday afternoon, June 8. This will provide significant time for Summit attendees to visit with you one-on-one and learn about your products and services.
- CAFR will also host other **breaks and a variety of social events** in the exhibit hall, which are sure to attract all of our attendees and allow them to visit with you.

The Summit is the only recycling conference in the state of Colorado. Last year's Summit for Recycling attracted nearly 200 recycling professionals from across the Rocky Mountain region. We welcome the participation of exhibitors in our technical sessions and panel discussions, so please don't hesitate to submit a topic for consideration. Please refer to CAFR's Web site at [www.cafr.org](http://www.cafr.org) for more information.

Please review the reverse of this page, which details the exhibit hall for the 2010 Colorado Summit for Recycling, and contact me soon to **reserve your space in the exhibit hall – space is limited**. If you have any questions or concerns about the Summit, please contact me directly at [amy@cafr.org](mailto:amy@cafr.org) or (970) 372-5615. I look forward to seeing you in Steamboat Springs for this exciting conference in the heart of the Colorado Rockies!

Best regards,
