On behalf of the Colorado Association for Recycling Board of Directors and Summit Planning Committee, I invite your company to exhibit at the 23rd Annual Colorado Summit for Recycling, June 10-12, 2012, at the Pueblo Convention Center in Pueblo. The Summit is the only recycling conference in Colorado. Last year's Summit attracted more than 250 recycling professionals.

We would be pleased to have your company in the Exhibit Hall at the Pueblo Convention Center to share your special products and services with our audience. This year, the Summit offers:

- **Exhibit Hall hours** beginning Sunday afternoon, June 10, at 1:00pm through Tuesday morning, June 12. We will provide significant, dedicated time for Summit attendees to visit with you one-on-one and learn about your products and services. Exhibit Hall times will be highlighted in the agenda to allow you to have free time to attend key events throughout the conference.
- **New! Southern Colorado Recycling Rally** on Sunday afternoon, June 10, from 1:00pm to 5:00pm in the Exhibit Hall. This event is open to the general public as well as conference attendees. In addition to our regular exhibitors, it will include a Recycled Art Market, CJ May the ResourcererSM who shares his blend of magic and message on issues of sustainability, public recycling drop-off and statewide student poster contest awards.
- A **Welcome Reception** Sunday evening, June 10, from 5:00pm to 7:30pm in the Exhibit Hall. This event allows conference attendees to network with each other and the CAFR Board of Directors.
- **Plenary sessions, breaks and social events** in the Exhibit Hall, which will attract all of our attendees.

Located in southeastern Colorado, between rivers and mountains, Pueblo offers scenic beauty and an enjoyable climate year-round. It is one of the largest steel-producing cities in the U.S. and is sometimes referred to as the "Steel City."

If you have any questions or concerns about the Summit, please contact me at (970) 372-5615 or refer to CAFR's Web site at www.cafr.org/summit for more information. We welcome the participation of exhibitors in our technical sessions and workshops, and we encourage you to attend the tours and fundraising gala. I look forward to seeing you in Pueblo for this exciting conference in the heart of southeast Colorado!

Best regards,
